The
Easter Bilby

This time it's an easter story.

I'm so excited!
The Easter Bunny will
bring us chocolate
eggs soon...!

...why?
Don't you
think that
custom
is kind of
strange?

...But I
was just
thinking...

A bunny who
delivers chocolate
eggs and rabbits
on Easter...

Rabbits
have lots of
children and
big families.
So they are
a symbol of
new life and
fertility.

Well,
the eggs
have religious
significance, but
Easter is also a
celebration of
spring and
new life.

DING DONG

Oh!

Because
it's
tasty?

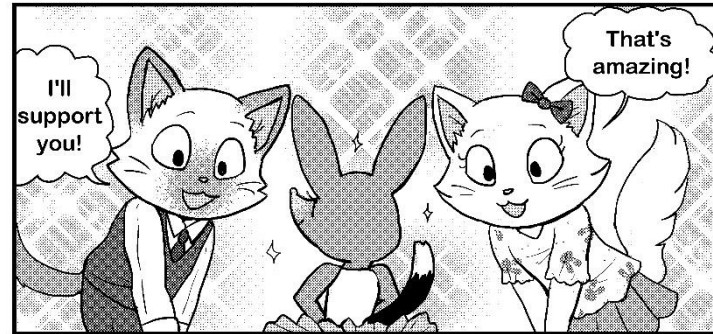

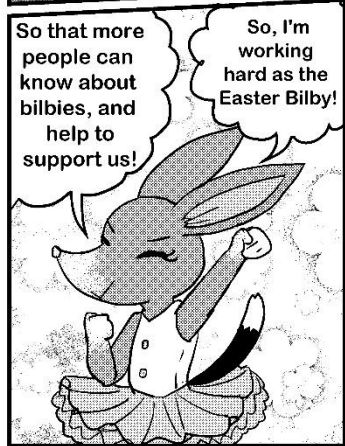

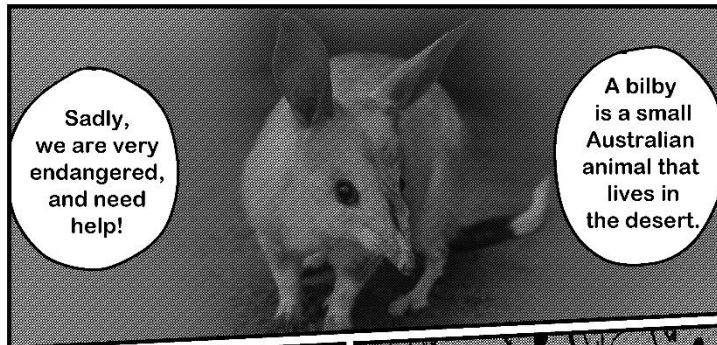

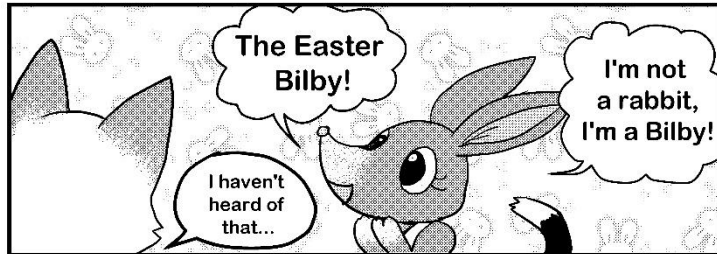

But why
chocolate
...?

Here are your
Easter Eggs!

huh?

Usually,
the Easter
Bunny
delivers our
Easter Eggs.
But you
don't look
like a
rabbit...

Hello!
Happy Easter!

Please look forward to the next edition.
